Cultivating Success 2017

Youth N.O.W. is inviting the community to join us in celebrating our students' successes during our fourth annual "Cultivating Success 2017." The event will take place Friday, June 2nd at the Watsonville Civic Center Community Room 4th floor. Seven students from our programs will be awarded in the categories of academic growth, academic dedication, leadership, and highest overall GPA. The highlight of the event is hearing our student speakers. All funds raised will go towards keeping Youth N.O.W. programs at no cost to the middle school and high school aged youth of our community.

Congratulations Emily!

Emily joined the Youth N.O.W. family in the fall of 2016, as our High School Learning Center Coordinator. Emily will soon be taking on a new role with us as our new Volunteer Coordinator! We are very excited to have Emily come on as a full time staff member starting this summer. We are confident in her skills and passion for the organization and know that she will do an outstanding job not only in volunteer recruitment, but will continue to put our youth first as she always does in the Learning Center.

Thank You Danny!

We would like to send out a special THANK YOU to our CSUMB SL2! Danny was our community based SL2 who was a part of our staff and did an incredible job not only recruiting, training, and coordinating all of Youth N.O.W.'s service learners, but went beyond her requirements and volunteered at both sites, directly impacting the lives of our youth in such an inspiring way! As a recent graduate from CSUMB, we wish you the best of luck as you embark in your new journey and thank you for carrying our vision and passion for youth!

Volunteer Appreciation Night
Spring 2017

We hope all our volunteers who were able to join us for our Volunteer Appreciation night a few weeks ago felt the love and appreciation in the air! From listening to the awesome youth go up and speak about the positive impact you all have made in their lives, the love and compassion you share with them every time you walk into our doors, and commitment and dedication you all have to see our youth succeed goes beyond any thank you we can offer. Your service to us is invaluable, and our program would not be what we are today without you all!
